

Hello and Welcome to the 2020 Wairoa Water Ski Club Newsletter!

Summer is on our doorsteps and we are bursting with excitement to get the next season underway. With COVID-19 disrupting the borders and potentially overseas summer plans, it's a great chance for us to get out and active in our own backyard. The Wairoa river quietly sits there and is a perfect opportunity to get a water-toy out and have a go!

This season we want to welcome new members of all ages and we are so lucky our club has an array of fantastic coaches who cater for everyone. We are lining up some awesome events for the upcoming season, including learn to ski days, Friday twilight ski's, water safety and boat driver courses and a kid's ski camp... Stay tuned.

Your annual membership is a vital contribution towards keeping the club alive and well. In return you gain access to relax in the clubrooms, washroom facilities, use of the

boat and gear as-well as enjoying lots of family-oriented socialising, new ski-buddies, scheduled ski days and opportunities to develop new skills. We are building our online profile on our website and Facebook where possible to share news, events and welcome new members to make it easier to connect and keep you in the loop.

This season marks the 10 year anniversary since the clubhouse renovations were done. Recognition and appreciation from the committee for the generous donations from The Pam Torbett Charitable Trust, Eastern and Central Community Trust and First Light Community Foundation to enable the clubhouse to be given a new lease of life for us to enjoy. We hope to have a wee birthday for the club on opening weekend and look forward to celebrating with you!

In the meantime, dust off the skis, make sure those wetsuits fit and see you on the water very soon!
